area affected. The emergency closure shall be effective when directed by the Board, may not exceed 60 days, and may not be extended unless it is determined by the Board, after notice and hearing, that such closure should be extended.

(d) The Board may make or direct a temporary change to open or adjust the seasons or to increase the bag limits for subsistence uses of fish and wildlife populations on public lands. An affected rural resident, community, Regional Council, or administrative agency may request a temporary change in seasons or bag limits. Prior to implementing a temporary change, the Board shall consult with the State, shall comply with the provisions of 5 U.S.C. 551-559 (Administrative Procedure Act or APA), and shall provide adequate notice and opportunity to comment. The length of any temporary change shall be confined to the minimum time period or bag limit determined by the Board to be necessary to satisfy subsistence uses. In addition, a temporary change may be made only after the Board determines that the proposed temporary change will not interfere with the conservation of healthy fish and wildlife populations. The decision of the Board shall be the final administrative action.

(e) Regulations authorizing any individual agency to direct temporary or emergency closures on public lands managed by the agency remain unaffected by the regulations in this part, which authorize the Board to make or direct restrictions, closures, or temporary changes for subsistence uses on public lands.

(f) You may not take fish and wildlife in violation of a restriction, closure, opening, or temporary change authorized by the Board.

(e) Upon receipt of a request for reconsideration, the Board shall transmit a copy of such request to any appropriate Regional Council for review and recommendation. The Board shall consider any Regional Council recommendations in making a final decision.

(f) If the request is justified, the Board shall implement a final decision on a request for reconsideration after compliance with 5 U.S.C. 551-559 (APA).

(g) If the request is denied, the decision of the Board represents the final administrative action.
